His story continued at Mt. Shasta High School, nestled within the majestic beauty of Siskiyou County.

With a patriot's spirit, Fred donned the uniform of the United States Army on the eighteenth of July, 1967. His service, marked by valor and unwavering dedication,

came to a close at Fort Huachuca, Arizona, on July 17, 1970.

The battlefields of Vietnam saw Fred's courage, earning him a trove of accolades: the National Defense Service Medal, Vietnam Service Medal, Republic of Vietnam Campaign Medal, Combat Infantryman's Badge, Air Medal, Purple Heart, Bronze Star with First Oak Leaf Cluster and "V" Device, Vietnam Gallantry Cross with Bronze Star.

Fred Salanti's life was a tapestry of formidable achievements.

Fred was the founder and Director of the Missing In America Veterans Recovery Program, initiated in 2007. His relentless advocacy paved the way for the Dignified Burial Act, becoming law in 2012.

Fred's unwavering commitment extended to the President's Support Committee, Veterans Ensuring Thru Service, the Veterans State Home Support Committee, and the Northern California Veterans Cemetery at IGO Support Committee.

Fred was always there to help any veteran in need as well as terminally ill Children at Camp For Life.

Embracing life's simple joys, Fred reveled in the thrills of motorcycle rides and tranquil moments casting lines from his pontoon boat upon the serene waters of Whiskeytown Lake.

Fred will NEVER BE FORGOTTEN.
