One Veteran**

The day started out very cold and windy, and yes even some snow flurries.

We arrived at Funck's Restaurant and were met by about 30 people to escort us to the cemetery. Upon arrival at the cemetery we were greeted by the Cemetery Staff and they were happy to have MIAP there. This was the first time that MIAP has been to this cemetery. The cemetery had the entire ground crew attend the service and they were all standing at attention as we pulled up to the shelter. It was very impressive.

This veteran was by no means without family on this day. Welcome Home Sister.
