**FINAL INTERMENT CEREMONY  
AT THE  
WASHINGTON STATE VETERANS CEMETERY AT MEDICAL LAKE, WA.**

**13 SEPTEMBER, 2018**

At 1300, the cremated remains of 40 Veterans and spouses will be interred at the Washington State Veterans Cemetery with the Full Military Honors that they may not have received when they passed.

The Ceremony will be conducted with the dignity and respect they were promised by their country. Military Color Guard from all 5 branches of service will be present and a Firing Squad will be provided by Fairchild AFB. Guest speakers will be announced at a later date.

These Veterans and dependent spouses were recovered by the Washington State MIAP Team from throughout the state. Working with the Patriot Guard Riders, American Legion Riders and all other interested individuals, the Missing In America Project worked with the MLVC to ensure that a dignified service is provided. The public is invited to attend and pay their respects to these recovered veterans.

Respectfully Submitted,
