**After Action Report  
MIAP Experience Bus Tour  
Quantico National Cemetery, Virginia  
30 April 2019**

On this date, a bus from Cheraw High School, Cheraw, SC, arrived at Quantico National Cemetery, at 1430hrs, for a tour of the cemetery and presentations on the Missing In America Project. There were 18 students, 4 adults, and one driver in attendance.

The group was provided a presentation about Quantico National Cemetery and MIAP while we toured the cemetery grounds.

Upon arriving at Section 22 of the cemetery, everyone disembarked the bus and posted American flags (provided by the Prince William County Office of Tourism) at MIAP grave sites. Since there were numerous flags already posted, I arrived earlier and removed the flags on the MIAP grave sites and moved serviceable flags to other sites.

After re-boarding the tour bus, presentations continued and questions were answered.

**Respectfully submitted,  
Forrest Lingenfelter, Virginia State Coordinator  
Missing In America Project**
