**After Action Report
MIAP Experience Bus Tour
Quantico National Cemetery, Virginia
30 April 2019**

On this date, a bus from Phillips Destination Management Company, World of Travel – Freedom Years, in Virginia, arrived at Quantico National Cemetery, at 1500hrs, for a tour of the cemetery and presentations on the Missing In America Project. There were 30 adults, a tour guide and one driver in attendance.

The group was provided a presentation about Quantico National Cemetery and MIAP while they toured the cemetery grounds with Marie Vayer (Daughters of the American Revolution and a MIAP Supporter).

Upon arriving at Section 22 of the cemetery, everyone disembarked the bus and posted American flags (provided by the Prince William County Office of Tourism) at MIAP grave sites. To accommodate the posting of flags by this group, I arrived earlier and removed the flags from MIAP grave sites and moved serviceable flags to other sites.

After re-boarding the tour bus, presentations continued and questions were answered.
