## Resolution Eight

WHEREAS, MIAP is engaged in a variety of escorts and events across the United States it needs to be in coordination with all motorcycle groups. There is a need for a liaison to the Confederation of Clubs (COC) in each state it passes through/operates to effectuate said goals:

WHEREFORE, it is hereby resolved that:

A representative (by State) may hereby be appointed as MIAP's liaison to the Confederation of Clubs (COC) in order to assure that safety and respect is given and requested to complete our escorts/events. MIAP needs to ensure that safe and a coordinated passage through each state is in effect. The National MIAP has as its liaison a member of the Boozefighters MC and their support throughout the States and at NCOM has been given and accepted at the National level.

This procedure will continue for all coordination of MIAP events/escorts in the future as well.
