On May 15, 2024, the Missing in American Project Veterans Recovery program held its service for 18 unclaimed veterans.

Mark Wells welcomed the guest to the National Memorial Cemetery of Arizona followed by our opening prayer by Cary Cartter, Chaplain, MIAP AZ

Our names were read by The Daughters of the American Revolution. After the reading of the names the United States Army Honor Guard along with the American Legion, Post 41 completed our military honors and rifle volley. In conjunction with the military honors a vintage military aircraft flyover was completed by the Falcon Warbirds Foundation. A flag was presented to a family friend of one of our veterans at the request of the family who resides out of state.

Our guest speaker was Commander Jack Coyle, Post 94 of the American Legion

Cary Cartter offered our closing prayer.

Mark Wells then thanked everyone for coming and wished them safe travels home.

Overall, the mission was a huge success and appreciated by many. It was very well attended and supported by the cemetery Staff and local community.
