On March 20, 2024 Missing in America Project Veterans Recovery program held its service for 18 unclaimed veterans and 1 spouse.

Mark Wells welcomed the guest to National Memorial Cemetery of Arizona. Cary Cartter offered our opening Prayer.

Daughters of the American Revolution read the names of our veterans. After the reading of names, United States Army Honor Guard along with the American Legion Post 41 provided our Military Honors and rifle volley. The USA Honor Guard then presented the flag to Cathy Pannella of the Daughters of the American Revolution as a sign of MIAP's appreciation for their continued support of the Missing in America Project and our cause

Our guest speaker was Sarah Ziker, Az. State Vice Regent of the Daughters of the American revolution

Cary Cartter offered our closing prayer.

Overall, the mission was a complete success and had a very good attendance and support from the cemetery staff and local community
