On October 5, 2023, Missing in America Project Veterans Recovery program held its service for 15 unclaimed veterans.

Mark Wells welcomed the guest to Arizona Veterans' Memorial Cemetery at Camp Navajo. Cary Cartter offered our opening Prayer.

Daughters of the American Revolution read the names of our veterans. After the reading of names, the Marine Corp League detachment 912 along with the American Legion provided our Military Honors. The Marine Corp. League then presented the flag to Richard Lozano of Flagstaff Mortuary.

Our guest speaker was Richard Lozano of Flagstaff Mortuary

Cary Cartter offered our closing prayer.

Overall, the mission was a complete success and had a very good attendance and support from the cemetery staff and local community
