On October 2, 2024, the Missing in America Project in conjunction with the National Memorial Cemetery of Arizona provided group honors for 26 veterans and 1 spouse that were directly interred in July 2024 and September 2024.

The service was well attended, Honor Guard's from the Navy, Air Force, Army and Marines provided honors for our veterans, to include unfolding and refolding of the American flag, a rifle volley and taps.

Overall, the mission was a success.
