MIAP Experience

Norwin Express

Quantico National Cemetery

16 Nov 2021

On 16 November 2021, at 3:30pm a tour of Quantico National Cemetery was provided to the Norwin Express Mystery Bus Tour. Norwin Express Tours provide “Mystery Tours”, whereby the bus tour participants do not know where they will be going, what they will visit and what they will experience. The tour was as coordinated through the Prince William County Office of Tourism, VA. The focus of this tour was on the Missing In America Project and the veterans and spouses MIAP has interred there. The tour group of 50 passengers originated in North Huntingdon, PA.

During the tour of Quantico National Cemetery, pertinent information about the cemetery and those people that are interred there was provided. Upon arriving at Section 24, three veterans posted American flags on the grave of PVT Hector Cafferetta, a Marine Corps Medal of Honor recipient from the Korean War.

At Section 22 everyone disembarked the bus and posted American flags at MIAP grave sites.

After re-boarding the tour bus, presentations continued and questions were answered.

This tour was conducted in support of the Missing In America Project by Marie Vayer, Daughters of the American Revolution.

Respectfully submitted,
