AFTER ACTION REPORT WASHINGTON STATE MIAP December 1, 2021

While inventorying the unclaimed cremains at a Seattle funeral home the Washington State MIAP Team discovered the cremains of Elden Claude Gleason. He was an honorably discharged U.S. Navy AMM1. He served from 8/6/1942 to 9/26/1945.

No living next of kin were found. It was discovered that his wife was interred in a church crypt in Honolulu, Hawaii. The church was contacted and they agreed to place Mr. Gleason in the crypt with her. Mr. Gleason's cremains were delivered to the church on November 22, 2021.

Respectfully submitted,
