JOB DESCRIPTION

NATIONAL LAWS AND INFORMATION

This position requires the volunteer to work with State Coordinators that do not have an MIAP law in their state. Explaining that visiting their local State Representative or Senator is important in making a professional connection with him/her. Assisting the State Coordinator in writing a new law or utilizing existing laws, ie MO, TX etc.

This position also requires the volunteer to work with State Coordinators with existing laws that need updating with an addendum or rewrite.

This position requires the volunteer discuss problems and/or concerns with the National Vice President as well as keeping him/her informed of updates.

The person holding this position may be asked to assist with certain correspondence between corporations, government agencies and veterans' organizations. Again, keeping the National VP informed.
