3/7/2019

## STANDARD OPERATING PROCEDURE #3

### FUND RAISING

**PURPOSE:** Encouragement of all State Coordinators and volunteers to raise funds for their state (if bank account is available) or for the National Bank Account.

**PROCEDURE:** There are quite a few ways to raise funds to further the MIAP mission within your state. Choices may be left to the individual State Coordinator, volunteer or organization. However, rules do apply for State Coordinators and volunteers who organize and run a fund raiser.

**Poker Run.** Alcohol may not be consumed by any participant before or during poker run. Alcohol may be consumed after the poker run.

The Missing in America Project will not be liable if alcohol is not consumed in moderation during any MIAP event.

Any fund raiser by any group other than a recognized veteran's organization designed to further veterans' causes must have prior approval by the MIAP Board of Directors.

Costs of individual fund raisers, over a period of one calendar year, may not exceed 15% of total funds earned per year. Any costs exceeding the 15% must be approved by Linda Smith, sailormom@miap.us.

**NOTE: Any state without an MIAP bank account may do fund raisers or collect donations and deposit monies in an MIAP account set up for that purpose. The state will be given credit and may be used by that state for MIAP business.**

**Simply contact Linda Smith, [sailormom@miap.us](mailto:sailormom@miap.us)**
