**MIAP Experience  
Familiarization**

**National Memorial Cemetery at Quantico  
3 March 2025**

On 3 March 2025, a familiarization tour of the National Memorial Cemetery at Quantico (formerly known as Quantico National Cemetery) was provided to the Maryland Motorcoach Association's Board of Directors. The Maryland Motorcoach Association represents tour group agencies from schools, senior centers, etc. The tour was as coordinated through the Prince William County Office of Tourism, VA. The focus of this tour was on the Missing In America Project and the veterans and spouses MIAP has interred

During the tour of the cemetery, pertinent information about the cemetery and those people that are interred was provided. Upon arriving at Section 22 of the cemetery, Paula and I posted American flags at MIAP grave sites.

The Association voiced their approval in including the MIAP Experience in their tours of the National Memorial Cemetery at Quantico by the Maryland Motorcoach Association.

**Respectfully submitted,  
Forrest Lingenfelter, Virginia State Coordinator  
Missing In America Project**
