Veterans Memorial Cemetery

2830 Riverside Pkwy

Grand Junction, CO 81501

MISSION STATEMENT

The purpose of the Missing in America Project (MIAP) is to locate, identify and inter the unclaimed cremated remains of American veterans through the joint efforts of private, state, and federal organizations, and to provide honor, respect and dignity to those who have served this country by securing a final resting place for these forgotten heroes.

“IT’S THE RIGHT THING TO DO”

On Monday, June 6, 2022, at 10:00am MIAP – Colorado, in cooperation with Callahan – Edfast Mortuary will be interring the unclaimed cremains of 27 veterans and 1 spouse of a veteran, with full military honors, at the Veterans Memorial Cemetery.

The veterans to be interred served in the US Army, Marine Corps, Navy, Air Force and Coast Guard during World War I, World War II, Korea and Vietnam. The longest that any of these to be interred has sat unclaimed since 1960.

This service is still in the planning stage, and, due to continuing Covid 19 issues which could affect the National Cemetery Administration’s policy regarding the number of individuals that can attend services at national cemeteries, additional details regarding this service will be announced when finalized.
