**MIAP Presentation**

**Fort Belvoir Collaborative Meeting**

**19 Aug 2021**

On 19 August 2021, at 12pm, a MIAP general orientation presentation will be provided to a meeting of the Fort Belvoir Collaborative, via Zoom.

The Fort Belvoir Collaborative was created by the Soldier and Family Assistance Center as an opportunity to bring together community partners to network, share and collaborate on military and wounded warrior issues on Fort Belvoir. The Collaborative is a grass roots program to assist the military installation – Fort Belvoir – by coordinating similar efforts undertaken by community leaders, nonprofits, veterans’ service organizations, and local government to ensure that services are not being duplicated, and military families receive the best possible information and access to care and benefits.
