Public Speaking Event

Patricia Palermo

04 May 2022

On May 04, 2022 at 7pm I will be one of 12 speakers at Ignite Phoenix. This is a community event sharing your passion and ideas across the Phoenix metro area. Ignite Phoenix is an information exchange for fostering and inspiring Phoenix's creative and passionate community in one evening. Lightning rod presentations by 12 speakers to share their passion with Arizona.

Since volunteering is my soul, my topic will be volunteering as a team member with MIAP.

This a huge public event and will take place at the Scottsdale Center for Performing Arts main stage. Scottsdale, AZ. 300 tickets have already been sold.

A YouTube will be streaming live for those who can't be there.

Respectfully submitted
