The Washington State Missing In America Project has identified the unclaimed remains of 30 Civil War Veterans and 31 Civil War spouses. These numbers include twelve married couples. Some of them will be reunited with family in New York, Maine, Rhode Island and Washington State. Some will be inurned at the Washington State Veterans Cemetery. One Navy veteran will be buried at sea. The majority of them will be placed at Tahoma National Cemetery. We continue to pursue eligibility for one veteran and five spouses included in the above total.
