11:00AM**

### **MISSION STATEMENT**

The purpose of the Missing in America Project (MIAP) is to locate, identify and inter the unclaimed cremated remains of American veterans through the joint efforts of private, state and federal organizations, and to provide honor, respect and dignity to those who have served this country by securing a final resting place for these forgotten heroes.

### **“IT’S THE RIGHT THING TO DO”**

On Tuesday, November 10, 2020, 11:00am, MIAP – Florida, in cooperation with Van Orsdel Family Funeral Chapels in Miami-Dade County, and the Miami-Dade County Medical Examiner Department, will be interring the unclaimed cremains of 19 veterans and 7 spouses of veterans, with full military honors, at the South Florida National Cemetery at 6501 Florida State Road 7, Lake Worth, FL 33449.

The veterans being interred served in the US Army, Marine Corps., Navy, Air Force, Coast Guard and Merchant Marines during World Wars I and II, Korea, Vietnam and other non-war specific periods. The longest that any of these being interred has been unclaimed is since 1952.

**As of this time, due to coronavirus issues and the National Cemetery Administration and local government policies regarding the number of individuals that can attend services at national cemeteries, this service will not be publicized or open to the public. Individuals that attend the service must wear masks and maintain social distancing. Should these policies change before the date of the service, an updated announcement will be issued.**
