

# All For the Military

By: Jocelyn Mooneyhan Lacey

Thank God for the USA  
And for those who fight for her freedoms  
every day  
Where would we be without those who  
sacrifice so much  
And who do it without so much of a fuss

The Navy, Coast Guard, Air Force,  
Army & Marines  
They are lean, mean fighting machines  
Putting themselves in harm's way  
To protect us at home when they're  
far away

They miss so much when they are gone  
Dawn to midnight and midnight to dawn  
Their loved ones miss them when  
they are far away  
As they defend our freedoms we  
enjoy everyday

They see things they can't unsee  
Some come home with war injuries  
Others come home with scars  
you can't see  
And some will be diagnosed with PTSD

Still others don't make it home  
And instead are buried under a tombstone  
The ultimate sacrifice they have made  
With promises that their memory  
will never fade

We are behind them every step of the way  
For them, their families we will  
always pray  
Until that day they step foot on  
American land  
For the flag they fight for we'll  
always stand

They love their country enough to serve  
Our support and appreciation is what  
they deserve  
Thank you from the bottom of our heart  
For everything you signed up for right  
from the start
